Telefonos de interes

Table listing various phone numbers for different services and locations in Valencia. The table is organized into columns for different categories such as emergency services, government offices, and local businesses. It includes numbers for police, fire, ambulance, and various municipal departments.

A large grid of small tables, each representing a different neighborhood or street in Valencia. Each table lists the name of the street or neighborhood, its postal code, and other relevant information. The tables are arranged in a grid format, with columns labeled A through Z and rows labeled 1 through 25. The information is presented in a concise, tabular format for easy reference.
